## QUALITY POLICY

**EXPLORER DOOEL** determines this quality policy of its products and services in order to fully meet the stated realistic demands of their customers and to be in full compliance with current legislations, national and international standards.

The focus towards the clients' needs and their satisfaction of the fulfilled projects are of outmost importance by which **EXPLORER** measures its overall success.

**In order to achieve, maintain and strengthen those values, we permanently commit ourselves to the following:**

- To employ professional and ambitious staff that will have the opportunity and obligation to continuously develop and improve
- To procure modern materials and equipment, and to maintain and improve the infrastructure and the environment for a pleasant workspace
- To nurture and develop partnership relations with suppliers
- To offer the most optimal and complete solutions
- To implement solutions that fully meet the requirements and needs of the customers
- To apply and improve the efficiency of quality management system founded on the requirements of international standard ISO 9001: 2008 and to strive to overcome the level of those requirements
- To set ambitious, measurable and achievable quality objectives

Every employee in the company must be familiar with the quality policy, accept it and respect it as a permanent principle in their work.
